## DAPOCALYPSE NOW---THE DOOMSDAY CYCLE

Jack Assbanker Publications. Paperback. Book Condition: New. Paperback. 356 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Christian author, Robert L. Kelly, once again, trumpets the virtual horn of Gabriel in DApocalypse Now!---The Doomsday Cycle, the third book of The Federal Reserve Trilogy. In a great and urgent warning to Christians, Jews, Muslims, Hindus and people of all creeds, colors and nations on earth, Mr. Kelly provides compelling evidence of economic evil, dark and ominous on the horizon. He christens it, the firestorm of DApocalypse---a great derivatives collapse and economic catastrophe heading directly our way. Mr. Kellys meticulous work in the Federal Reserve Trilogys first two volumes (The 30 Trillion Heist--Scene Of The Crime and The 30 Trillion Heist---Follow The Money!), tells the story of what may be the greatest heist in history. Those books reveal a secret heist of nearly 30 Trillion by the banks, the elite and the Federal Reserve, which took the money without the consent, or knowledge, of Congress. This multi-trillion dollar caper snatched taxpayer-backed money to nefariously reimburse the banks and elites losses experienced during the credit crisis. Both works read like detective novels and reveal shocking details of the secret and unauthorized actions by the Federal Reserve System and a large number of co-conspirators. The 30 Trillion Heist asks the grave and important question everyone in Congress is afraid to know the answer to--- Did The Federal Reserve And Its Co-Conspirators Commit Treason Against The United States Of America DApocalypse Now! provides a foreboding warning to all people, worldwide, of a Doomsday Cycle which lies dead ahead. It reveals in astonishing and scathing detail the greed, the avarice and the outrageous activities of the banks, the Federal Reserve, and the elite behind them. It is their abominable actions and diabolical scheme which shall directly cause the...
