DC Comics, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. In the newest installment of the Earth One original graphic novel line, writer/artist Gabriel Hardman (INVISIBLE REPUBLIC) creates an all-new origin for the Emerald Warrior in GREEN LANTERN- EARTH ONE VOL. 1! Hal Jordan yearns for the thrill of discovery, but the days when astronaut and adventure were synonymous are long past. His gig prospecting asteroids for Ferris Galactic is less than fulfilling--but least he s not on Earth, where technology and culture have stagnated. He might be a nobody, but he s in space. When Jordan finds a powerful ring, he also finds a destiny to live up to. There are worlds beyond his own, unlike anything he ever imagined. But revelation comes with a price- the Green Lantern Corps has fallen, long since murdered by ruthless killing machines known as Manhunters. The odds against reinstating the Corps are nearly impossible.but doing the impossible is exactly what an astronaut like Hal Jordan was trained to do. From creator Gabriel Hardman, the critically acclaimed author of INVISIBLE REPUBLIC, comes a soaring new epic original graphic novel in the tradition of the best-selling WONDER WOMAN- EARTH ONE VOL. 1 by Grant Morrison and BATMAN- EARTH ONE VOL. 1 by Geoff Johns! GREEN LANTERN- EARTH ONE VOL. 1 is a radical look at the Lantern mythology and a great entry point for new readers.
