Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. How to Make Money was originally published during the Roaring Twenties, yet contains timeless secrets of financial security, personal development and motivation that were sorely lacking by the end of that decade. The prescriptions of this text were prophetic medicine, foreshadowing the economic collapse of 1929, and the -Revisited version adds content designed to make it more relevant to the present day. Expanded bonus-material includes resources for increasing your influence with social media, recommended podcasts/blogs, a reading list of books to jump-start your business development, and some creative business ideas to stimulate the Inner Entrepreneur, requiring little or no capital to launch. Sample Quotes: The only things that matter are these: You must get it out of your head that you are not capable of doing big things. You must realize that the reason you re not doing big things is that you have never had an opportunity to learn. Every successful person in the world today thought just the same things which you were thinking at sometime in their lives. They had to learn how, too. You must grit your teeth and start. Close your eyes to everything but success. The most difficult thing about being successful is making up your mind that you are going to succeed. Once you overcome that fear which haunts you, which holds you back, you will become master of yourself and the whole world can t stop you. Don t let timidity, fear, self-consciousness, or what others think rule you. You know you are capable. Surely you believe in yourself, so close your eyes to those petty obstacles and work for your own future instead of to please your present...
