The Blackwater Shaft

By R Blair Savage

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Historically, Appalachian coal miners have struggled to make ends meet, but in the fictional town of Cascade, West Virginia, five generations of the influential Dawson coal mining family have prospered while treating their miners with respect and consideration. Over the years they have faced many challenges, but none came close to the dangers the Dawson men now face at the Blackwater Shaft. A few excerpts: In a delicate and feeble voice Ben s grandmother asks him to come nearer. What is it, Grandmother? He asks, leaning close and taking her hand. Ben, she pleads in a frail whisper, You must promise me that you will never close the Blackwater shaft. She makes a barely audible coughing sound, then continues, Promise me, Ben, that you will always leave a way for my Robert to come home. Ben s eyes fill with tears. His parents, Nat, and the others lean closer to try to hear what Grandmother Lu is saying, but only Ben can understand her words. Alex does not need to hear, he knows instinctively what...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
