Createspace. Paperback. Condition: New. This item is printed on demand. 180 pages. This book has been written to offer a slightly different perspective on reality: One that is multidimensional and metaphysical in nature, yet seen through the eyes of a fashionista and businesswoman, with both her feet firmly grounded in the three-dimensional world. Twenty-two short chapters quickly lead the reader through the often-miraculous accounts of the author, helping himher to gain a better understanding of the workings of this new reality. In the second part, powerful metaphysical tools are offered to help the reader actively change their experience of reality for the better. Following the authors journey, the reader will be inspired to overcome fear and doubt, to live life fully following their intuition and highest excitement every step of the way. This item ships from La Vergne,TN. Paperback.
