Heyday Books. Paperback / softback. Book Condition: new. BRAND NEW, Life in a California Mission: Monterey in 1786, Jean Francois de La Perouse, Jean Francois De La Perouse, Linda Yamane, Malcolm Margolin, On the afternoon of September 14, 1786, two French ships appeared off the coast of Monterey, the first foreign vessels to visit Spain's California colonies. Aboard was a party of eminent scientists, navigators, cartographers, illustrators, and physicians. For the next ten days the expedition's commander, Jean Francois de la Perouse, took detailed notes on the life and character of the area: its abundant wildlife, the labors of soldiers and monks, and the customs of Indians recently drawn into the mission. These observations provide a startling portrayal of California two centuries ago.
