**PURPOSE: FIND YOUR TRUTH AND EMBRACE YOUR CALLING (PAPERBACK)**

Hay House UK Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Jessica Huie went from being a teenage mother, expelled from school and living in a hostel, to having a glittering career in Public Relations, working with some of the world's biggest stars and business people, including Samuel L. Jackson, Simon Cowell, Sir Bob Geldof and Meghan Markle. When she set up her own first business, it earned her invitations to round tables with the UK Prime Minister, the chance to deliver inspiring assemblies to school children in Johannesburg, and an MBE award for services to entrepreneurship - all by the age of 34. In this book, Jessica shares the lessons she has learnt in evolving from an individual who was once purposeless and unhappy, to someone who recognizes her complete power to design and create a successful, meaningful life, built from an authentic foundation. She offers the reader the tools she has honed throughout her 18-year career to empower them to get unstuck, look at how they can make real change to the lives of others, and experience more genuine fulfillment from what they do every day. Featuring her own incredible story, celebrity anecdotes and examples of how each lesson applies in the real world, this book will inspire the reader to take action towards living their purpose and a life that lights them up.
