Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This collection of short stories delves into our darkest visions and most troubling secrets. Characters in the grip of mental illness or trauma come face to face with unexpected terrors-and for some, there may be no escape. One story is set in the town of Innsmouth, Massachusetts, which uses its scandalous past to attract tourists. But when a young couple moves there for its famed fertility treatments, they find old ghosts lingering. This place is their last hope for a family, but it has a dangerous secret the townspeople don t want exposed. In Amor Ex Machina, an idealistic scientist struggles to keep her greatest invention from falling into the wrong hands. When her work is stolen, the authorities blame her. But the hallucinations she experiences following an assault prove to be an even bigger problem. She Lies Dreaming and Other Tales is an exploration of human nature, where characters are pitted against the horrors of their own minds. Inspired by classic tales of horror and science fiction, these stories are about the strange things that sometimes happen to flawed people prone to making bad decisions-in other words, ordinary humans.
