

The Esoteric Significance of Spiritual Work in Anthroposophical Groups: And the Future of the Anthroposophical Society (Paperback)

By Sergei O. Prokofieff

Temple Lodge Publishing, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. The anthroposophical community seeks to lift human souls into supersensible realms so that they may enter the company of Angels. - Rudolf Steiner. Prokofieff traces the three stages of heavenly preparation of anthroposophy: the spiritual thunderstorm , the Michael School in the Sun sphere, and the imagination-based cultus in the spiritual word nearest to the Earth. These events involved the nine spiritual hierarchies, associating them with the karma of the anthroposophical movement. Prokofieff elaborates the tasks of the Anthroposophical Society and indicates how these are connected with the spiritual hierarchies, the Michael movement, the Grail mysteries, the work of new Group Souls, and the Foundation Stone Meditation. He shows that the General Anthroposophical Society was, in an esoteric sense, created in order that human beings might learn to work with the Gods themselves. This is a vital booklet for anybody who cares deeply about the future of the Anthroposophical Society, or the future of mankind itself.

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who statte that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be he finest book for at any time.

-- Mr. Carol Bergnaum IV

This publication will not be straightforward to begin on studying but quite fun to see. It really is basic but shocks in the fifty percent of the ebook. I realized this ebook from my dad and i advised this pdf to learn.
