

Ism Is A Retrovirus (Paperback)

By Matthew Hupert

Three Rooms Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Ism is a Retrovirus by Matthew Hupert (Three Rooms Press) is a rock solid collection of 87 poems that examine life, lust, love, religion and politics in a word play phantasmagoria in which, according to poet Dean Kostos, sound is meaning and syntax is thrummed like strings on a guitar. A native New Yorker, Hupert probes his subjects like an true urbanite-in short, accessible works that seem like passing glances, yet resonate and bring increasing pleasure on multiple readings. Mondo 2000 editor R.U. Sirius raves, Matthew Hupert had me at shell my pistachio eyes. Beat Generation and Grateful Dead historian Dennis McNally enthusiastically applauds Hupert s writing: He sees how the words work, listens to them working, feels their meaning and spits em out. I love his poetry. Funny, insightful and to the point, Matthew Hupert s Ism is a Retrovirus is a song in a true modern American style praising beauty and grit of life with new insights in a determined, fresh voice.

Reviews

This composed book is excellent. it was actually writtern very perfectly and valuable. I found out this book from my i and dad advised this book to learn.
-- **Maymie O'Kon**

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
