Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

THE BONEYARD: A GRIPPING SERIAL KILLER CRIME THRILLER (PAPERBACK)

HarperCollins Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The truth won't stay buried forever . . . `A wonderfully twisty maze JAMES OSWALD Malcolm Kendrick is charming, handsome - and a suspected serial killer. When the partially clothed body of a woman is discovered on Dartmoor, all eyes are on one man. There wasn't enough evidence to convict Kendrick of his suspected crimes in America, but DI Charlotte Savage is determined to bring him to justice. She's certain the woman's murder, so soon after Kendrick's return to Devon, is no coincidence. But Savage hadn't anticipated one thing: Kendrick has a perfect alibi. When more human remains are discovered at an isolated dumping ground, a full-scale murder investigation is launched. Savage realises it's up to her to uncover the truth before the killer strikes again. She knows Kendrick is hiding something. Is there a limit to how far she'll go to find out what? A page-turning, terrifying crime thriller with a gripping twist, perfect for fans of Mark Billingham and Tim Weaver.
