BookBaby, United States, 2016. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Preface As a genealogist who spent several years researching ancestors, I wanted to do more. I did not want just to gather family names. I wanted to weave together all the records, papers, memories, history, photos, and random facts into a book, one that summarizes my research, tells a meaningful story, and shares a legacy. As you read this book, you will come to understand why I chose my Lithuanian grandmother as my main character. The Invincible Heart is an historical novel based on the life of Jadvyga Vaitkute and her homeland. Be filled with admiration for the Lithuanian people as you relive the victories and devastating defeats in this chronicle of their country. Travel with Jadvyga while she experiences the horrors of life in steerage when courageously making her unforgettable journey to America in 1901. Discover how political unrest, terror, raging fires, epidemics, threats of imprisonment, and the relentless iron rule of Russia affect the heart of this young Lithuanian and her homeland. He died before the book was published. During the months of his illness I was so thankful that I could look to my grandmother's example for strength and face difficult times with courage and grace. The research and the writing changed me. I now am more grounded in the knowledge of my past, and in my day-to-day activities I recognize evidence that...
