

Beyond Capitalism?: The Future of Radical Politics

By Simon Hardy

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Beyond Capitalism?: The Future of Radical Politics, Simon Hardy, How to move 'beyond capitalism' and whether indeed it is possible to do so, has become a question of general interest, rather than simply the preserve of left-literary discussion, since the credit crisis of 2008. This book examines the social nature of the austerity crisis, and whether an anticapitalist message can successfully intersect and create a new virtuous dynamic for the radical left after decades of retreat. Intended as a contribution to debates around fundamental social change which have emerged in the wake of Occupy and the Arab revolutions, Beyond Capitalism is a book which combines 'historical sociology' with the politics of social emancipation. The question these movements have posed is how can the radical left marshal its often meagre forces to create a new counter hegemony to the ethos and culture of capitalism?.
