

Democratic Education for Social Studies: An Issues-centered Decision Making Curriculum (Paperback)

By Anna S. Ochoa-Becker

Information Age Publishing, United States, 2007. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book ***** Print on Demand *****.In the first edition of this book published in 1988, Shirley Engle and I offered a broader and more democratic curriculum as an alternative to the persistent back-to-the-basics rhetoric of the 70s and 80s. This curriculum urged attention to democratic practices and curricula in the school if we wanted to improve the quality of citizen participation and strengthen this democracy. School practices during that period reflected a much lower priority for social studies. Fewer social studies offerings, fewer credits required for graduation and in many cases, the job descriptions of social studies curriculum coordinators were transformed by changing their roles to general curriculum consultants. The mentality that prevailed in the nation's schools was back to the basics and the basics never included or even considered the importance of heightening the education of citizens. We certainly agree that citizens must be able to read, write and calculate but these abilities are not sufficient for effective citizenship in a democracy. This version of the original work appears at a time when young citizens, teachers and schools find themselves deluged...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS
