

## Paul Klee: Hand Puppets

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## PAUL KLEE: HAND PUPPETS

Hatje Cantz Publishers. Hardcover. Book Condition: New. Hardcover. 128 pages. Dimensions: 10.4in. x 8.9in. x 0.8in. Between 1916 and 1925 Paul Klee (1879-1940) made some 50 hand puppets for his son, Felix, of which 30 are still in existence. For the heads, he used materials from his own household: beef bones and electrical outlets, bristle brushes, leftover bits of fur and nutshells. Soon he began to sew costumes. These characters and small works, do not pretend to be great art, but at the same time, they are superbly imaginative, sweetly reminiscent of Klees relationships with his family, and beautifully illustrative of the artistic and social developments of the time. Readers will see the chronological proximity of Dada and Kurt Schwitterss collages in Klees Matchbox Ghost; the German National caricatures one of the eras more ominous political types. An introductory essay tracks the works links to other avant-garde puppetry and to Klees sculptural works, and notes his connections to the theater. For their part, Klees son Felix and his grandson Alexander tell the story of how the figures were created. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
