RAZORBILL, United States, 2016. Paperback. Book Condition: New. Reprint. 210 x 139 mm. Language: English . Brand New Book. Best friends. BFFs. Soul twinsies. Whatever you want to call them, Harper and Lily were born to be besties. With high school just around the corner, casual-cool Cali girl Harper and awkward, always-costumed Lily make sure to text each other every day about their bond: Harper: I love you so much that I am going to sneak out of detention to pay that guy from Craigslist GBP100 to cutoff all your hair for my secret collection. Lily: I love you so much I m going destroy everyone in your life that matters and force you to depend and love only me. Harper: That sounds beautiful. I love you. Not even the threat of different high schools could throw this BFFship off-course, even if Lily begs her parents not to send her to the dreaded Pathways, a special school for creative types, while effortlessly-popular Harper attends Beverly High with the rest of their class. But in a city where fitting in means standing out and there s nothing more uncool than being cool, it s the naturally charismatic Harper with her blond hair and perfect bone structure who finds herself fighting the tide of American Apparel d teens who rule the school. Meanwhile, it s the perpetually gawkward Lily who accessories every ensemble with a pair of tattered fairy wings who finds herself flying alongside the queen bees of Pathways. Can BFF-ship survive the tidal wave of HS drama, or does growing up mean leaving some friends behind.
