Excerpt: .them in all their infinitude, with no abatement of the general unity, with no forgetfulness of the final effect. Consider the long-sustained effort of an undertaking so minute and laborious as the Hundred Guilder Piece. Rembrandt was condemned to expiate the abuse of his powers by a period of enforced idleness. So, at least, we interpret the absence of any work by him from 1662 to 1664. His etchings, which had gradually declined in number, cease entirely from 1661 onwards. For some time before they were marked by an increasing hastiness and loss of delicacy. The life-studies and landscapes also come to an abrupt end, together with those etchings and landscapes in which he had taken so great a delight. When at last Rembrandt was able to resume his painting, his style had undergone a marked change. He was no longer able to attack complex...
