Quarry Books, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. 51 Puppy Tricks gives puppy owners the tools they need to teach behaviors and tricks to their puppy through step-by-step instructions and photographs. Most other puppy training books focus on curbing bad behavior. Some have training, but only the most basic tricks. Kyra s curriculum differs from that of 101 Dog Tricks in that the instructions are geared for the less mature dog. Young puppies are not yet well-tuned to humans, and respond better to a clicker than to a voice. Also, young puppies have so few skills that everyone benefits from a technique called shaping which breaks a behavior into minute steps for easier learning. And, of course, puppies receive extra gentle care when we teach, focused more on instilling a love of learning and a communication pathway rather than accomplishing the goal behavior.
