Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I loved this Graduation Speech. This is a wonderful book and an inspiration to the reader. It is well thought out, well-written and sometimes humorous. He makes you feel and understand what it means to go to the next level beyond graduation. The book is easy to read and the perfect length. The references are a great addition. The author, Clarence Saunders, clearly puts a lot of effort into this book, and his compassion for helping students is amazing. I love his mindset, his true depth and zest for life. I think every graduate should read this, take to heart his words, and use them in their own life to make the dream of The Good Life a reality. Lacia Porter, Book Reviewer Clarence Saunders has over 50 years of work experience and has worked as a financial services representative for a major financial company since 1984. He holds a LUTCF, Series 6, Series 63, Texas PC and Group 1 Insurance License.
