Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Report on the Forests of North America: Exclusive of Mexico Sir: I have the honor to submit the following report upon the nature and condition of the forests of the United States, to which are added statistics of the lumber and other industries directly dependent upon the forest for their support. Mr. Andrew Robeson, of Brookline, Massachusetts, has prepared the maps which accompany this report; he has supervised the entire statistical work of this division and has conducted its correspondence. Mr. Stephen P. Sharpies, of Cambridge, Massachusetts, has conducted the various experiments undertaken with the view of determining the value of the different woods produced in the forests of the United States. Mr. C. G. Pringle, of East Charlotte, Vermont, has examined the forests of northern New England and New York, Pennsylvania, and West Virginia; and subsequently, as an agent for the American Museum of Natural History, has greatly increased our knowledge of the trees of Arizona and southern California. Mr. A. H. Curtiss, of Jacksonville, Florida, has studied the forests of Georgia and Florida,...
