SOLUTION TO A FATHERLESS NATION

iUniverse, United States, 2010. Paperback. Book Condition: New. 222 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Statistics indicate that fatherless families are poorer; are more likely to suffer from stress, depression, and other emotional and psychological issues; and are more prone to serious health problems. In Solution to a Fatherless Nation, author Jerry L. Macon addresses this issue and seeks to find remedies to this growing problem. Macon, who grew up in a fatherless home, knows firsthand how this living situation can have a profound effect on everyone in the household. Children may feel rejected and abandoned and seek solace elsewhere. He discovered that the answer is entering into a relationship with the father of fathers-which is God via Jesus Christ through the life guidance of the Holy Spirit. Using personal stories, scriptures, and statistics to illustrate this growing social problem, Solution to a Fatherless Nation provides advice to combat fatherless homes. It advocates becoming a pioneer and breaking the cycle-be the first in the family to go where other family members have not gone before.
