By Ysa Arcangel

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When the world was young, supernatural creatures walked among mankind freely. Chaos reigned as the supernatural beings sought supremacy. The human race was nearly wiped out of the face of the earth. Dark creatures preyed on the weaker. Demons inhabited human bodies and angels fell in love with them, hence Nexi, the cursed, were born. Anathema has always seen strange things but never knew exactly why. Despite the pain, misery, agony and suffering it brings her, she has learned to accept her unique ability. As she strives to find out the reason for being able to travel through different realms and being a magnet to spirits of the dead, she realizes how little she knows about the truth of her existence. When she is thrust in the middle of a war, a war that had been going on since the beginning of creation, Anathema must make a choice -- one that will save one world and destroy the other. Will she turn her back to the light she had always known and embrace the darkness within her?.
