

Serial Killers: Exploring the Horrific Crimes of Little Known Murderers

By Jack Smith

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Serial killers fascinates. Extreme cases even more so. From John Wayne Gacy to Jeffrey Dahmer, many of America's most famous murderers have entered into the collective cultural consciousness. They have become pop culture figures, famous for their crimes and the violent nature of their acts. People feel compelled to understand more about these dark and twisted crimes, even when they disgust. For audiences everywhere, the very idea that these people can exist and operate in day-to-day life becomes an issue of abject terror and interest. That your neighbor, your boss, or your gas station attendant might be in the midst of a killing spree taps into something primal and very hard to imagine. It reflects the darkest side of the human psyche. Serial Killer as a term can be difficult to define. Different criminal investigation units typically require two, three, or more attributable killings over a period of time before an individual can be considered to have joined the ranks of the serial killers. However, it is not really the numbers which can interest so many people and...
