

Teaching for tolerance in Muslim majority societies.

Filesize: 5 MB

Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

Dem Yayinlari, Istanbul, 2007. Soft cover. Condition: New. Paperback. Pbo. Demy 8vo. (22 x 15 cm). In English. 284 p. The present book is based on a workshop held in Istanbul in November 2005 under the title "Learning about the other and teaching for tolerance in Muslim majority societies". It conveys critical analyses and innovative visions for tolerance education in school, focusing particularly on the role that religious and ethical education, social studies and history teaching can play in fostering tolerance and promoting inclusive notions of citizenship. In the book, one will find examples of how scholars and educators from Muslim majority countries (joined by two Western European scholars) see the special challenges that these societies face when trying to rethink the way in which religion, history and civics are taught in school. The chapters focus particularly on challenges and recent developments in Bosnia and Herzegovina, Egypt, Indonesia, Iran, Lebanon, Nigeria, Palestine and Turkey. Recep Kaymakcan is Associate Professor of Religious Education at the University of Sakarya, Turkey. Oddbjørn Leirvik is Professor of Interreligious Studies at the Faculty of Theology, University of Oslo, Norway.
