### ***Reviews***

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.*

*(Dr. Grady Jacobi DDS)*

## MADISON MORGAN: WHEN DOGS BLOG (PAPERBACK)

Legacy Media Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Life is getting tricky for eleven-year-old Madison Morgan. She s not interested in boys, fashion, or the latest gossip, unlike her best friend Paige. Since her mom died, her stepdad, who she knows as Henry, has way too many complicated systems around the house but way too little to say about her mom s death. To top it off, in her first year of middle school, Madison and her new friend Cooper have become the school project of a bully named Donald. And all she really wants is a dog to call her own, but all she gets is the parental-brush-off. What is a straight-talking, spunky middle grader going to do? Kids from ages nine- to twelve-years-old are sure to get a laugh from every page of *Madison Morgan: When Dogs Blog*, the young adult novel by author Pam Torres that charts the sometimes tough, frequently funny days of the wise-cracking, dog-loving Madison. When her dad arrives home with a foster dog, a scrawny brown terrier named Lilly, Madison is amazed to find she has an ability to understand dogs, their emotions, and often their pasts. However, this rare ability also leads her to uncover some extremely harmful activities that are happening right in her very own neighborhood. If she exposes the culprits behind them, she may risk losing Cooper, not to mention destroy her plan to remain invisible at school. As Madison struggles to feel normal and understand her ability to translate dog-speak, this coming-of-age story shares how one quirky young girl saves the day with the help of her father and their friend Netta at the Second Chance Rescue Shelter. Frank, funny, and full of adventure, *Madison Morgan*...
