Sky Sailors: The Story of the World's Airshipmen (Paperback)

By Ces Mowthorpe

The History Press Ltd, United Kingdom, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. This is the story of the sky sailors - the men who pioneered a mode of air transport that today is virtually forgotten. During the period 1890-1910, airshipmen greatly outnumbered aeroplane pioneers, but aircraft innovations, two world wars and airship disasters brought the time of the airship to an end. It is only proper that before time expunges all trace of them, the exploits of these intrepid men are placed on record. In Sky Sailors, Ces Mowthorpe describes the early days of airships, mixing narrative with first-hand accounts by airshipmen from England, Germany, Italy and the USA. His account begins in Paris in the 1890s, moving on to examine the Blimps and Zeppelins of the First World War, interwar developments, the use of airships for anti-submarine patrols in the Second World War, civilian operators and the fatal disasters of the Hindenberg, R101 and Shenandoah. This fascinating and fully illustrated study will inspire and appeal to all with an interest in aviation history. CES MOWTHORPE was the author of Battlebags: British Airships of the First World War. He was an active member of Cross...

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- Joshua Gerhold PhD

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
