KARLY S WOLF (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.On the run from her abusive husband, Karly Whitaker flees across state lines and finally settles in an old mining town called Hollow Hills. Starting over has never been so scary. To make it worse, on her first night in a new place she hits a dog-the biggest, blackest, wolf-like creature she has ever seen. Although he appears more dazed than hurt, Karly takes him home. But while it s comforting not to be alone, it s hard to ignore the strange things happening around her. All she wants to do is hide from her husband, Fish and Game won t leave her alone, her gun-toting neighbor scares her to death, and every morning Puppy vanishes, leaving her to deal with Colton Laurens all on her own. Colton-the dark-haired, honey-eyed Game warden, whose gentlest touch makes her battered heart ache and whose hungry kisses burn her from the inside out. For the first time in her life, Karly knows what it s like to live unafraid, but with more than ghosts haunting her footsteps, she s beginning to suspect not everything in Hollow Hills is what it seems. Karly s Wolf by Penny Alley, the author also known as Maren Smith.
