

Men and Systems: (Annotated with Biography about James Allen) (Paperback)

Filesize: 4.09 MB

Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Junius Herman)

MEN AND SYSTEMS: (ANNOTATED WITH BIOGRAPHY ABOUT JAMES ALLEN) (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****.The unceasing change, the insecurity, and the misery of life make it necessary to find some basis of certainty on which to rest if happiness and peace of mind are to be maintained. All science, philosophy, and religion are some many efforts in search of this permanent basis; all interpretations on the universe, whether from the material or spiritual side, are so many attempts to formulate some unifying principle or principles by which to reconcile the fluctuations and contradictions of life. This version of the classic book includes a biography about the life and times of James Allen.
