THE BRIGHT CONTINENT: BREAKING RULES AND MAKING CHANGE IN MODERN AFRICA (PAPERBACK)**DOWNLOAD**

Mariner Books, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A hopeful narrative about a continent on the rise. --New York Times Book Review For anyone who wants to understand how the African economy really works, The Bright Continent is a good place to start. --Reuters Dayo Olopade knew from personal experience that Western news reports on conflict, disease, and poverty obscure the true story of modern Africa. And so she crossed sub-Saharan Africa to document how ordinary people deal with their daily challenges. She found what cable news ignores: a continent of ambitious reformers and young social entrepreneurs, driven by kanju--creativity born of African difficulty. It s a trait found in pioneers like Kenneth Nnebue, who turned cheap VHS tapes into the multimillion-dollar film industry Nollywood. Or Ushahidi, a technology collective that crowdsources citizen activism and disaster relief. A shining counterpoint to the conventional wisdom, The Bright Continent rewrites Africa s challenges as opportunities to innovate, and celebrates a history of doing more with less as a powerful model for the rest of the world. [An] upbeat study of development in Africa.The book is written more in wonder at African ingenuity than in anger at foreign incomprehension. --The New Yorker.
