BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In ten days, Hong Kong will pass into the hands of the Chinese--and 007 is on his way there to undertake his most dangerous and thrilling mission yet. In the Australian desert, a nuclear bomb explodes. There are no survivors and no clues about who has made it or detonated it. In England, two police officers are shot dead when they apprehend a cargo vessel in Portsmouth dock. Vast quantities of heroin are later found on board. And in Hong Kong, an explosion rips through one of the colony s famous floating restaurants, killing the entire Board of Directors of EurAsia Enterprises Ltd, a multi-billion dollar shipping corporation. The People s Republic of China is about to resume control after a century and a half of British rule--and the colony is a powder keg waiting to explode. The tension reaches breaking point when a solicitor from one of Britain s most prestigious law firms is killed in a car bomb at Government House. These apparently random events are connected--and Bond must find out how and why. From the heady casinos of Macau to the seedy strip clubs of Kowloon, 007 s investigations bring him into conflict with ruthless Triad gangs, a power-hungry Chinese general--and a beautiful night club hostess called Sunni Pei. All inquiries seem to lead to EurAsia Enterprises Ltd--and its assassinated owner. James Bond is about to come up against one of the most formidable adversaries of his career.
