Greenwood Press. Hardcover. Condition: New. 210 pages. Dimensions: 9.2in. x 6.1in. x 0.5in. This up-to-date bibliography on business communications which, unlike any other, also indexes the availability of sample documents and other learning aids has been compiled with students, faculty, librarians, and other working professionals in mind. Chapters four through six are devoted to three skill areas: general skills such as editing, graphics and visuals, and word processing; written documents such as abstracts, newsletters and feasibility studies; and oral products such as interviewing, presentations, and workshops and seminars. Three distinct indexes provide access to this wealth of information by name, title, and subject. Better Said and Clearly Written should be made available not only to business and technical libraries but to academic and public libraries as well. It will be an indispensable tool for technical writers, small business owners, corporate personnel, and anyone wishing to...
