Findhorn Press Ltd. Paperback. Book Condition: new. BRAND NEW, Dear Human: A Manifesto of Love, Invitation and Invocation to Humanity, Courtney A. Walsh, Refreshingly candid, hilarious and insightful, "Dear Human" is the key necessary to unlock a whole new way of thinking. It is progressive and expansive. It provides insight to the soul that many of us have either: A) never seen or B) overlooked in our travels on this earthly plane. "Dear Human" asks the reader to embrace our glorious messiness, to love to the best of our ability, to continue to learn and grow, to be willing to show up and get out of the way. It blows up old programs and conditioned ways of thinking and expands the reader into new ways of thinking about timeless themes. It asks us to merge and honor our divinity and humanity equally. These chapters resonate what it means to be whole, real, authentic and loved while simultaneously showing the pathway to the freedom of enlightened empowerment. Be open to all your feelings and look to laugh and love with each and every breath. The spectrum from compassion to ego/emotional triggers is unabashedly discussed and honored within these pages. Words such as judgment, cooperation, feelings, growth, ease, resilience and harmony all have a place here. This creation strives to have the population rethink their inner workings, conditioned responses and self-imposed limitations, with compassion for themselves. "Dear Human" elevates the spirit to an accomplished, soul-filling and revered place-a place of light.
