Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Lover s Calendar N this Anthology I have tried to represent the whole course of Love in its birth, its slow growth, its inevitable sorrow and its joyous fruition. The history of love, with its changing seasons, corresponds to the course of the year, and I have sought to work out the sequence as closely as possible. Death also, and the union of spirits after death, may make a claim on the reader s desire for romance and adventure as powerful as the passionate love of those who are still on earth; and these two facts must enter into the calendar if the cycle of Love is to be complete. This epitome of a love history has been compiled during the last twelve years, in the hope that it may help all lovers, those who are together, and those who are.
