Andrews McMeel Publishing, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. LIO is brilliant! In this post-Calvin and Hobbes and post-Far Side world, this is the brass ring for cool! --Dallas Morning News * LI O is a pantomime strip featuring a curious young boy whose daydreams embark from reality destined for the dark chasm where wit and sarcasm collide. Drawn in the age-old style of pantomime strips, LIO offers a decidedly new and edgy twist to the wordless comic format. That s right, LIO is so crafty it doesn t need word balloons, dialogue boxes, or clever captions. Mark Tatulli s cartoon also employs a unique drawing style influenced by cartooning greats Gahan Wilson, Charles Addams, and 19th-century satirist A. J. Volck. * In describing his strip, Tatulli explains he was eager to bring something truly different to the comics pages . . . something to appeal to all ages, drawn in pictures only. To tell a story without text, while updating the pantomime concept with a modern audience in mind. * The result is a mind-bendingly humorous and astute journey into the darkly detailed world of young LIO--where a spit wad can put a school bus out of commission faster than a spider can hamper the efforts of the U.S. Postal Service.
