Birdie Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The best golfers in the world are also the best strategists. They know how to read a golf hole, how to size up risks, how to identify opportunities, and how to play the percentages to get the most out of their game. Whether you are a 30-handicapper or a 3, the easy-to-learn and easy-to-use principles in Course Navigation can literally transform your game and put you in better positions to score, without having to make a single swing change. Playing strategically is exactly what you need to take advantage of the greatest weapon you bring to the course - your mind. Filled with practical examples, illustrations and anecdotes Course Navigation will give you the solid strategic foundation every player needs for a consistent golf game. You ll see the course with new eyes. You ll look at green complexes with new understanding. You ll recognize how features like bunkers, trees, water, mounds, swales, slopes, and rough are used by course architects to defend the hole against your attack, and you ll know how to handle them. You ll approach your shots and your strategy with more confidence. You ll learn: - Why the strategy for your current shot should be to make the next shot easier, and how it makes your entire round more fun; - How playing the hole backwards helps you identify the best angles, landing areas, and club selection to maximize your scoring opportunities; - Which pins to attack, and when the middle of the green is your best option; - How to identify the natural path of a hole, including the defenses and soft spots, so that you can always play from a position of strength; - Why picking specific...
