After he intently watches a man propose and give his fiance a beautiful ring, the mastermind monkey goes on a spree, stealing sparkling jewelry from unsuspecting victims. With a cunning policeman in pursuit, the monkey accomplishes one final act that no one sees coming. Graham Gillam shares creepy tales that highlight an eclectic group of characters that include a band of circus animals on a rampage, a train passenger seemingly trapped in an unthinkable nightmare, two detectives investigating a rash of missing children, and a boy who purchases a rope one day without any idea of its power. Included in this diverse collection is an excerpt from Gillam s Edgar Allan Poe inspired memoir and two screenplays that will instigate chills and thrills as a young couple enters a graveyard and experiences what soon becomes their worst nightmare and an artist contemplates the disappearance of his dark shadow. VIVID Unleashed is a unique collection of horror tales, a true story, and two screenplays that lead the curious through terrifying scenarios that prompt the question: What if?.
