Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Planet Earth stands in ultimate peril.a war rapidly engulfing numerous continents from a concealed vicious enemy. The Morgons have been hidden for years, studying and contemplating the weaknesses of their victims before striking, concealed in the darkest depths and havens where humans could not travel without harm or virtual suicide. The inhuman guests are now understood to have evolving bodies, able to absorb immense punishment and transform and grow in harsh polluted realities that humans cannot survive. The situation is bleak if not hopeless for human life.the oceans now controlled by invading hordes growing in merciless strength.numerous coastal landings advancing inland across the globe from Japan through Thailand, South Korea, central Ukraine and St Petersburg. Bitter fighting is commencing in Normandy in France and the North Sea oil rigs of the United Kingdom have fallen. With two massive Morgon warships now orbiting the planet, the United States faced the ultimate ferocity of initial attacks, the western seaboard now obliterated along with the majority of coastal defensive forces. Additional enemy landings have occurred in New York and now Boston, heavy merciless fighting continuing in Florida, Philadelphia and Baltimore. Across the galaxies, there is a seeming improvement in the military situation on Xaxon B due to the timely intervention of the last ship from the Fahimian Republic. Any meagre Trevakian reserves are now being deployed to the deteriorating situation on Planet Earth to assist their new allies, the ships currently travelling to the remote human enclave. Eager to support and enhance the new additions to the Trevakian Empire, a Battle Cruiser has been gifted to the human race, the appropriately named Galactic Freedom a gesture of peace and solidarity with the new alliance members....
