Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Learn the Easy and Effective Secrets of Training Your Puppy Puppies are the epitome of cuteness. Little wags of their tails and a whimper have their owners doting all over them! Sadly this isn't the best way to have a well-adjusted grown dog. In order to have a good adult dog training must start when it is still a puppy. Basic tricks are nice, but much like toddlers you need to teach your puppy where and when it is acceptable to go to the bathroom. Accidents happen, but none of us want to make them a constant thing. Dogs can get overzealous and knowing how to control this behavior will lead to a happier household for both you and your pet. Inside you will learn the most effective and easy to implement methods to housebreak your puppy, to keep him from destroying your household, and to be friendly and docile with others. If you have a new puppy, Puppy Training by Zach Rucker is one book you can hardly do without!.
