Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

His first published work was in 1903, the short story The Mysterious Mummy for Pearson s Weekly. He made his early living writing comedy sketches for music hall performers and short stories and serials for magazines. In 1909 he married Rose Knox.
