## Advanced Biology.

By Jones, Mary & Jones, Geoff.

Cambridge University Press, Cambridge, 2006. Softcover. Book Condition: New. Seventh Printing. 554 pages. Softcover. New book. BIOLOGY. This is a comprehensive, full color, A-level biology text designed to be accessible from a double award GCSE science knowledge base. The text contains clear explanations of facts and concepts, with a controlled language level to ensure accessibility for all A-level students, including those for whom English is a second language. Where relevant, the applications of biology to industry and medicine have been given. There is an appendix covering the essential chemistry in an accessible form. The text includes core and extension material, to allow differentiation for more able students and there are questions throughout the text and end-of-chapter questions to test students' understanding. Clearly written and differentiated text material has been extensively reviewed by teachers and academics. Attractive annotated illustrations drawn by Geoff Jones, a biologist. Contents includes: 1. The molecules of life; 2. Enzymes; 3. Cells; 4. The cell cycle; 5. DNA and protein synthesis; 6. Genetics; 7. Selection and evolution; 8. Photosynthesis and plant nutrition; 9. Respiration; 10.
