

Anti-American Terrorism and the Middle East: A Documentary Reader

Filesize: 8.06 MB

Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.

(Dr. Reta Murphy)

ANTI-AMERICAN TERRORISM AND THE MIDDLE EAST: A DOCUMENTARY READER

Oxford University Press, 2002. Hard Cover. Condition: New. Dust Jacket Condition: New. 1st Edition. New hardcover book with dust jacket, never been read. 1st printing. This book has nearly one hundred key documents, charting the evolution of radical Middle East movements, their anti-Americanism, and Western policy response in it. The buildup to the battle between a world superpower and Middle East revolutionaries is brought dramatically to life. Among the documents included are the charters of such organizations as Hizballah, Hamas, and World Islamic Front; speeches by Syrian president Hafiz al-Asad and Iraqi president Saddam Hussein; al-Qa'ida recruitment materials; and terrorist training manuals. The book also shows and analyzes the often conflicting and deeply conflicted responses to September 11 by journalists, clerics, and activists in the Arab world. Supplemented by an annotated chronology, a glossary of terms, and sections that put each selection in context, this comprehensive reference serves not only as essential historical background to the ongoing aftermath of the September 11 attacks, but more generally as an invaluable framework for understanding this continuing conflict that has caused many crises for the United States. Current list price: \$30.00.
