Destiny Image, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. The Old Testament and the Gospels have three levels of interpretation: historical, Christological, and prophetic. Because Christ is fully revealed in the New Testament, the epistles have only two levels, the historical and the prophetic. Much is lost when Christians only see and study the Scriptures from the historical vintage point. Rightly Dividing the Word reveals these hidden prophetic treasures to the discerning student.
