Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.All of us have felt alone, right? Maybe we feel different than everyone else - and, maybe, we were born different from everyone else. That can be really hard. Jane has been experiencing this, too. She s the only square in her school and some of the other kids are being mean to her, just because she s a square. One day, though, she meets a friend that helps her see things differently, and her life is changed. With ever-increasing amounts of prejudice and hatred in our society, The Lonely Square is a harsh reality for many kids (and adults). This book seeks to foster discussions about important, life-altering issues. We must break down the walls of discrimination and Jane s story is, hopefully, just the beginning.
