This dictionary resolves more than 4,000 broadly used acronyms. It provides concise information, illustrated explanations, and numerous cross-references for the majority of technical terms. Most entries for acronyms that are associated with organizations, corporations, and conferences include Web links. All in all, the book constitutes an encyclopaedic documentation of information and communication technology organized by acronyms. An invaluable reference work for anybody who wants to stay on top of today's fast growing language of information technology. 684 pp. Englisch.
