SOME ASPECTS OF THE WOMAN S MOVEMENT (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Some Aspects of the Woman s Movement The choice had to be made between a book by one author and a book by several. A composite book was decided upon, because adequate know ledge oi the matters dealt with was thought to be even more important than coherence; but it will be seen that the ideas which run through the book do, as a matter of fact, make it a coherent whole, in spite of varieties of style and approach. The book was to have been published in the autumn Of 1914, but on the outbreak of war publication was temporarily postponed. During the past year many theories have been tested by stern realities the place of woman in the life of the nation and in public service has been more firmly established the consideration of her point of view in politics, and particularly in international politics, has entered upon a new phase: much bitterness has been allayed a new Opportunity for unprejudiced consideration of her strength and her weakness has come about. At the same time a considerable amount of ethical unrest and of moral uncertainty has been revealed, and the need for the fuller understanding and teaching of positive and compelling moral ideals is clear.
