Lanternfish Press LLC, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Shadowing an elderly librarian on his first day at the great Central Library, Maximo is thrilled to get a peek at the exclusive Encyclopedia of Medicine. It s a dizzying collection of maladies: an amnesia that causes everyone you ve ever met to forget you exist, while you remain perfectly, painfully aware of your history. A wound that grows with each dark thought or evil deed you commit but shrinks with every act of kindness. A disease that causes your body to imitate death, stopping your heart, cooling your blood. Will the fit pass before they bury you-or after? As Maximo soon discovers, medicine at the Central Library may be more than he bargained for. The Afflictions is a magical compendium of pseudo-diseases, an encyclopedia of archaic medicine written by a contemporary physician and scientist. Little by little, these bizarre and mystical afflictions frame an eternal struggle: between human desire and the limits of bodily existence.
