Wipf Stock Publishers, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What if heresy had grown within the church, maturing secretly over more than a millennium, working ill under the cover of right belief and worship? This startling and provocative book argues that the ancient heresy of Docetism, reappearing in a form resonant with its original denial of Christ's body, has brought the Western church to its current state of disrepair. Docetism has irreparably fractured Western Christendom, reducing the church to a tangled mass of denominations and sects, while also infecting the course of Western society beyond the ecclesia. Progressing from an ontological foundation oriented toward the dissolution of form, Docetism has led peoples convinced of their march toward unity into ever deepening alienation. Although it has repercussions for theological anthropology, this ontological foundation has its profoundest implications for the doctrine of God. The solution to Docetism, as proposed by the author, begins with a theory of the Trinity grounded in the tenets of biblical Wisdom and explicated in terms of the relations of origin between the divine persons. Cantey offers a direct challenge to Christians who would look lightly on the divisions that have marked the Church throughout its history. Arguing from an avowedly Orthodox perspective on history, the contemporary Church, and the book of First John, Cantey challenges Christians to consider the problem of disunity as a kind of New Docetism. Orthodox, Catholic, and Protestant believers alike will find Cantey's book insightful, confrontational, and provocative. --Matthew Lynch, Dean of Studies, Lecturer in Old Testament, Westminster Theological Centre If the Holy Spirit gathers the Body of Christ in unity, as Israel hearing our God is One and loving thy God with all your heart create unity of people and self at...
