ENGLISH NONSCENTS: QUICK QUIPS WITH ENGLISH (PAPERBACK)**DOWNLOAD**

Idea Creations Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What do you do in the middle of the night when you wake up with words running through your head? That s what got me started on this book. I woke up in the middle of the night; not kind of awake but outright-wide-awake-conscientiously-knowing-what s-going-on awake! In my head was a whirlwind of words! All kinds of words flying through, not in sentences and with no relationship to each other, other than the alphabet itself. I realized there had to be a reason for this. So I got up and wrote down as many of the words as I could catch and remember. Knowing there had to be a reason but with no other understanding I put the list away. Much later, I pulled that list out and for some unknown reason the writing began. I ve had so much fun writing this book I decided it was time to share it. I ve felt for a long time that if each day I could make just one person smile or chuckle or laugh I d done something good. I hope when you ve red this book you ll read it again and recommend it as a good reed to others. Once you ve read it you ll understand the spelling; it s not a misprint! Be careful not to laugh if you re eating (or drinking) your toast!.
