Would you like to stop pushing, micromanaging, and forcing things so you can relax? What if you could enjoy what you have instead of always lusting for more ? What if you could live in the zone, propelled by powerful currents toward the right people and opportunities? What if you could stop worrying about money and live with more emotional ease in the moment? If you answer yes to all these questions and desire lasting positive change, then prepare to experience the ecstasy of surrender. The art of letting go, Dr. Judith Orloff explains, is the secret key to manifesting power and success in all areas of life, including work, relationships, sexuality, radiant aging, and health and healing. In our superconnected world where emails and text messages constantly interrupt us, it s easier to let go than you think. Once embraced, surrendering removes roadblocks and the exhaustion that comes from trying too hard --and it helps you achieve goals more effortlessly and brings ongoing happiness. With her stunning gift for storytelling coupled with her unique, results-oriented approach to physical, emotional, and spiritual health--marrying neuroscience, psychiatry, intuitive medicine, energy techniques, and more--Judith provides a powerful, practical, and accessible map for anyone who is longing to be happier but who feels stuck, burned-out, tense, worried, or afraid to let go.
