Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Excerpt: . . . men get little enough at present. Surely every case that is prevented diminishes by a definite amount the total fees paid to the profession by the people. Do not such boards threaten our private interests just as the municipal ownership of water and gas plants interferes with the private interests of the stockholders of such corporations Then why is it that of all classes of people the medical profession is the most zealous in its advocacy of this measure Is it because we think that the board will be just efficient enough and not too efficient Is it because in protecting others we protect ourselves and our families from diseases which have caused a large mortality in our ranks Is it because we think that by preventing the children from dying of diphtheria and scarlet fever and smallpox we will save them to dyspepsia and child-bearing and enlarged prostates No, I think not. It is because our calling is more than a business--it is a profession. And if a bad business all the-more a glorious profession. It is because the interests of life and health are above those of the pocket-book. It is because the true physician is the uncompromising foe of disease. If he cannot use every means in his private capacity as the family physician, he is willing to organize and fight it in a public capacity through some central power. The physician favors the Board of Health because his religion, his...
